you're
here

Hello you guys out there. You're in for a bit of a treat. This is only my second time on camera and I can't wait to get started. Paul said he'd be gentle with me but I may get rough with him. But that's all talk. Watch my video where I bounce up and down on his cock and then we settle in for a nice 69 session.

Holly's a perky, young platinum blonde with green eyes that glow like emeralds in the sun. She's also a proud exhibitionist. She doesn't care if her neighbors see her naked by the pool or if her friends see her sucking off boys in the parking lot. She doesn't care if the school janitors watch her from the windows and beat off into their dirty mop buckets. She is a horny little rebel and she loves to let her freak flag fly.

i fuck for tips

*I had to write this story to tell the world about it! It started out ordinarily enough...
me waiting tables on a Saturday night at a downtown hotspot. Some people are pissed
about working weekends, but not me. For one, I make boatloads of cash,
and for another, everyone comes in dressed to the nines ready to party...*

I had worked very hard all weekend, even bussing my own tables because we were so busy. The customers came and went in a blur. The aromas of the foods all blended together, like one big feast I could not have. But that's okay, I take my job seriously and think I'm pretty good at it. Towards the end of my shift I came back from the kitchen and saw a secluded table of mine had just been seated with two very attractive older women. Both were done up nicely, proudly displaying more jewelry than a rapper... and some ample cleavage. I see this a lot, so at first I didn't think anything of it – just a couple of rich ladies out on the town. I approached the table to begin my routine, and before I could open my mouth one of the ladies said, "Hey – you sure are cute," to which her friend replied, "Yeah! We should take him home with us and teach him a thing or two!"

I was caught totally off guard, laughing it off as playful banter as I explained the specials and took their drink

orders. Then, drink orders in hand, I turned to walk to the bar and as I did so, one of the ladies slapped my ass and winked at me. Amused, I figured they'd be out partying all night and were grabbing a late dinner. When I returned to the table, the ladies were laughing and making quite a bit of noise. However, upon my approach they suddenly became quiet.

I set down the second drink, and one cleared her throat, looked me dead in the eye and said, "Thanks for the drinks. Now we want to see what's in there," firmly patting me on the front of my pants. "Yes," echoed her friend, "Surely you've got a little spare time for us."

Then she leaned over the table and gave her friend a wet kiss on the mouth, a kiss that lasted quite some time and clearly stated that these ladies were serious. A kiss that was meant for me to see and drool over. Which I did. I felt my cock begin to stiffen beneath my pants and apron, simultaneously feeling a bit em-

barrassed and totally aroused. I coughed nervously and looked around my section – everyone was busy eating their dinners so that meant I had some time.

In a flash, I made a decision. “Let’s go,” I said, and the ladies smiled at each other and stood up to follow me. I led them through the restaurant to the handicapped bathroom, set off somewhat from the other bathrooms and opened the door. I don’t think anyone saw us, as the ladies followed me inside. One closed and locked the door behind us while her friend pushed me hard up against the wall and shoved her long, wet tongue in my mouth.

“I’m Paula, and she’s Jolie,” she mouthed as her hand reached down and unzipped my pants. As her hand made it’s way inside my fly, Jolie was undoing her top, her full tits spilling out gloriously. Her tongue now darting in and out of me ear. Paula latched onto my cock, pulled it out, and quickly stroked it to full hardness. I reached a hand inside her blouse and grabbed one of her mature boobs.

Jolie, now braless and with her impressive nipples rock hard, presses her tits into my side and stuck her tongue into my other ear. Her hand reached down and undid my pants. Paula paused her handy cockwork just long enough for Jolie to pull my pants and boxers down. Then both ladies dropped to their knees, and Jolie and both ran their tongues all over my rock hard prick, taking turns popping my head into their hot, eager mouths. I could only lean back stiffly against the wall and let them do their thing.

For a moment I wondered about my tables, but ceased to when Paula took my cock all the way into her mouth, bobbing up and down and sucking slightly. With one hand, Jolie undid a few buttons on Paula’s blouse, while her other hand cradled my balls. Simultaneously, Jolie and I each grabbed one of Paula’s boobs and freed it from her bra. I was just beginning to tweak Paula’s nipple when I felt my cock slide all the way down her throat. I shuddered as my pleasure meter pinged on high.

Paula popped my cock out of her mouth and said, “Your turn,” as she turned to Jolie and gave her a kiss, cupping Jolie’s juicy boobs.

Jolie grabbed my cock, wet with Paula’s saliva, and started jerking me off while she and Paula continued their kiss. Then they split off their lip-lock and Paula went to her purse and pulled out a handkerchief. I watched her go over to the sink as Jolie kept up her expert cocksucking. Paula turned on the water and soaked her hanky, wringing it a couple times. She came back and told be to turn around, so I was facing the wall. Jolie backed up against the wall and squatted back down in front of me. She quickly gobbled my cock back into her mouth and reached behind me, grabbed my ass cheeks and pulled them apart.

I was shocked. Paula moved in with her damp hanky and ran it down between my butt cheeks. Then she too dropped to her knees and nestled her tongue back there. I was in a trance. I reached out both arms to brace myself against the wall as each lady was doing

i fuck for tips

their thing to me. I couldn't tell which sensation to concentrate on. They were both amazing, but somehow I got the feeling that they had done this sort of coordinated thing before. It's just that this time I was the lucky recipient.

FUCK! For a minute I had forgotten all about work. Quickly I started pulling up my pants, praying that my customers were alright and that I hadn't been given any more tables. I looked at the ladies who were fixing themselves up as if to say, "I need to go."

As I focused on Jolie's mouth, I took one hand off the wall and cupped the back of her head and pushed my cock in deep. She took every inch without even a small gag. I fucked it a few times and Paula shoved a finger into my anus. I moaned and shot a huge load into Jolie's warm mouth.

Jolie took it all, emphasizing her swallow with a big gulp. Paula wiggled her finger in my ass as if to point out that it was what made me cum, and she was probably right. I have one had a finger in my ass a couple times, from an old girlfriend, and that took me three years to let happen.

"Was that good?" asked Paula, standing up in back of me. Her hand had moved under me and she was playing with my balls, twirling them in her hand. All I could wonder is how these ladies can be so horny and so forward. By now, Jolie had stood up and Paula moved around front and the two kissed and then pulled me in for a threeway smooch. We finally broke the embrace and I caught my breath. "Someone in here should probably get back to work." said a tired Jolie, playfully.

Leaving them to finish putting their clothes back on and cleaning up, I rushed out the door the bathroom. To my relief all my tables were still enjoying their late night meals, their conversations relaxed and joyful. I went to get a glass of water, and then came back to Jolie and Paula's table at which they were now seated.

"What time do you get off?" asked Paula with a wink at her double entendre..

"Usually about 2:00 a.m." I answered.

"That was fun. We want to see where this can go," said Jolie and handed me a business card.

Then, she and Paula stood up. Paula pulled a \$100 bill out of her wallet and dropped it on the table. Both women leaned in and kissed me on the cheek, Paula patting my cock again. I looked down at the card. On the back side was written a phone number and an address. I smiled as I watched them walk away, and put the card in my pocket. I asked my boss if I could go home a little early, and he said okay. I thought I should shower and clean myself carefully.

Rachel Starr*

to me, men come second

Kimberly comes from a place we've all visited once or twice - our imagination. Her sexual appetite is second to none. While she chooses not to use the word 'nympho' to describe herself, she does say that it fits her well. But let's move on. Let's just say that she loves sex, like anal play and likes men that excite her. We hope we are one.

MUST BE 18 TO CALL

taking a coffee break

Caroline just gave me some excuse about her mom being sick, but I figured she just wanted to spend some time with this new guy she was seeing. She was always telling me about how awesome his cock was, how it always found her g-spot, and how she was having the best orgasms of her life.

I had made plans with my girlfriend Caroline to go clubbing. That lucky bitch... I love her though, so I accepted her excuse and decided to go out later by myself. You never know what might happen! Later that evening I was combing through my closet looking for just the right outfit, something that said, "Yes, there's a good chance I'd like you to take me home with you, and I'm going to make you work for it." I'd pumped up a little rock-n-roll on my stereo to help get me in the mood. After trying on six different outfits, nothing had the vibe I was looking for. Frustrated, I sat down on the couch right next to one of the speakers listening to the music while I awaited divine inspiration.

All of a sudden, I remembered a movie scene where a girl sits on a speaker with the bass pumped up. The vibrations get the girl so twisted that she cums right on the speaker! The next thing I knew I was at the stereo fiddlin' with the bass knob, turning it to high. Thump! Thump! I hoped my downstairs neighbors were out as I took a speaker and placed it on the ground and straddled it. Sure enough, the bass was pulsing right into my pussy and making my clit tingle. I shuddered

and wasted no time sliding a hand inside my panties.

New, naughty experiences always get me wet with a quickness, and my speaker ride was no exception. My fingers toyed with my labia, pulling and teasing them oh so sensually. Soon, my clit was crying out for attention, and my pussy was begging to be filled with something, but I was in no rush. My free hand reached up and pulled one of my breasts from my bra, my nipple hard and plump. Rhythmically, I massaged my boob, pinched my nipple, and diddled my pussy lips, all in unison with the bass that was now threatening to vibrate me apart. I wondered how many women had actually tried this. I finally succumbing to my desire and wantonly slipping my middle finger deep inside my wetness while my moistened thumb encircled my engorged clitty.

Soon, I was drifting into a pornographic fantasy about grinding hot and heavy with a hot player at the club. His throbbing meat pressing into me, his tongue darting in, out, and around my ear, my hands clawing into his back holding on for dear life... Absent-mindedly,

I groped for the volume knob and turned up the stereo. I freed my other boob from my bra and skillfully took my nipple between my lips, sucking gently and flicking my tongue over the tip. Then I allowed another finger to join the party in my pussy, enjoying the extra thickness. Now, the player was locking the door of the bathroom and lifting me up onto the counter. Magically, his pants were around his ankles as, in one motion, he spread my legs and buried his impressive member deep inside me. I moaned loudly, and in my fantasy I begged the player to fuck me harder. Harder!

I was rudely jarred from my ribaldry by a series of aggravated knocks at my front door. Reality returned and I quickly turned down the stereo and ran to the bedroom for a robe. I popped my boobs back into their enclosure and ran a brush through my hair a few times. A harder knock this time! "Fuck," I thought. "They must have been home downstairs. I hope there's some way I can explain this." I forced a smile and opened the door. To my surprise, it wasn't one of my downstairs neighbors as I was expecting. It was someone I'd never seen before, a beautiful specimen of a man who introduced himself as my new neighbor two doors down.

I stammered out an apology, something about setting the mood for my upcoming evening out. He explained that he was a med student and that he was studying for a big exam. I could tell he was pissed off, and still flustered and not wanting to have bad blood so close by I asked him if he wanted to come in for a cup of coffee as my apology. To my surprise he accepted, saying that he was just thinking about making some himself.

Relieved, I let him into my apartment. As we crossed through the living room into the kitchen, I saw him eye the speaker on the ground and curiously sniff the air. "Oh shit," I thought, figuring he was probably catching a whiff of my aromatic pussy juices. And, in my rush to get the door, I had forgotten to wash my hands. I moved quickly into the cramped kitchen to wash my hands and prepare the coffee.

He introduced himself as Cliff and we made small talk about the apartment building, the weather, and his studies while we waited for the coffee to brew. I kept catching Cliff's eyes drifting to the opening in my robe that exposed my cleavage, though I'm sure he thought he was being sly. My hormones were still in overdrive and pussy was still wet, and given my recent fantasy I enjoyed his "extra" attention. I squeezed past him to get a couple of mugs.

As I did, I accidentally brushed my boobs up against his chest, catching my robe and opening it, further exposing my breasts. His eyes didn't miss a beat, widening as they clearly enjoyed the view. I looked back at Cliff and smiled, nonchalantly fixing my robe. Out of the corner of my eye, I noticed a little extra bulge in the crotch of his jeans. I grabbed the mugs in one hand, and as I passed by my new neighbor I let my other hand trail innocently across his hardening cock.

"Oh, excuse me," I said, setting the mugs down on the table and flipping my hair. His attention now locked, his eyes gleamed, seemingly waiting for me to make the next move. A surge of energy flew through me.

coffee break

I stepped closer to Cliff, simultaneously firmly placing a hand on his cock and whispering in his ear my real reasons for the loud bass. As I spoke I traced his hardness with my fingers, figuring he'd either tell me to fuck off or fuck me. Either way, I was on auto-pilot and couldn't stop myself. To my immense pleasure Cliff responded by pulling open my robe and dropping it to the ground. The sight of my body was making his cock pulse in my hand. The whole situation had me so horny I didn't waste any time in liberating him from all obstructions to his sweet meat.

My hand latched onto his fuck stick and pumped it vigorously. All I could think of was Cliff cumming deep inside me. He must have had the same idea. In one slick move Cliff spun me around, pulled off my panties, and lifted me up onto the kitchen table. I reached back and undid the clasp on my bra, my breasts spilling forth in a glorious display. Cliff helped himself to one, and I grabbed his cock and pulled it toward my pussy, rubbing his cockhead against my labia.

Breathlessly I moaned, "I want you to fill me with your cum, and I want it now." Cliff grunted and pumped me deeper, gyrating his hips and sending me further into a state of ecstasy. He held himself inside me for a couple seconds, and then continued pounding my pussy. In a flash, my orgasm rocketed through me, my sex quivering and convulsing, squeezing Cliff's cock for all it had.

That was all it took for him. Moaning, he pulled out and exploded on my belly with rope after long rope of man-milk. I laid back on the table and felt his heaving chest on mine. He pulled me to him tightly, and together we basked in orgasmic aftershock, trembling until we'd finished our cumming. Well, needless to say I didn't make it to the club that evening and Cliff didn't get much more studying done.

Later, we enjoyed a cup of coffee, and then ravaged him on my couch, my bed and my shower. I told him that he had fortuitous timing and that I wasn't look-

"Fuck me, now!" I commanded, pulling him further into me. Cliff silently agreed by plunging himself inside me. I sighed loudly as his cock buried itself to the hilt in my sopping pussy. Cliff took me by the hips and began fucking me with wild abandon, my boobs flopping all over the place. I dropped a hand downward and zeroed in on my hard clitty, fingering it like there was no tomorrow.

ing for anything serious. He told me that anytime I wanted a friendly visit, all I had to do was crank the bass and summon him, kinda like Batman... with an raging erection.

So if there is a moral to all this, it's be kind to your neighbors – you never know when one might have a helping hand... er... cock!

bedroom cutie

There are days when getting out of bed is such a chore, and this is one of them. I got dressed to go to the store but decided I would best spend my day in bed. Then Alex showed up and tried to get me to go. But convinced him to stay by sucking his cock and letting him fuck me. Boys are so easy to get them to do what you want. Are you that easy, too?
